

Moved by Commissioner Harvey, Somers, to approve the following road improvement agreement with Millen Township:

ML1603 Proconier Road – limestone gravel and light drainage improvement from  
Bennett Road west 3,500 feet

Motion carried.

Managing Director reported on a Rural Task Force meeting held to discuss priorities for leftover funding and explained which projects in Alcona might qualify if/when surplus funding is allocated; the Black River Road project had started; F-41 was milled and wedged, with asphalt to be placed by Friday; had met with the Cedar Lake Improvement Board, that the requests for qualifications had been sent and were due June 17, and would be up for consideration at the June 22, 2016 meeting.

He also reported on safety project and high risk rural road funding saying MDOT will extend the safety grant funding into next year with no penalty and that he intended to submit a request for funding for improvements at Walker Road.

There being no further business, the meeting was adjourned at the call of the Vice Chair at 4:32 p.m. until the next regular meeting on June 22, 2016, at 4:00 p.m.
