Moved by Commissioner Scully, Harvey to cancel the meeting on May 27, 2020 Board Of Commissioners meeting unless it is deemed necessary at a later date.

Roll call vote: Scully – aye, Harvey – aye, Somers – aye

Managers Report

Manager Campbell informed the Board that hopefully next week will be the Pre-Construction meeting for the Wash Barn with Meridian and Russo Engineering. At that meeting we should get a progress clause on when they will be starting.

Bamfield Road Project is all set to go for this Fall. An additional signature page is needed to be submitted and then we'll get the progress clause for that as well. He is anticipating end of August to September. The completion date is October 15th on that project.

Campbell confirmed we received a \$10,000 reimbursement from CRASIF. He would like the board to consider purchasing reflective safety shirts again for the employees with some of that money. He thought the approx.. cost was \$1,200.00.

Moved by Commissioner Somers, Harvey to allow the managing director to proceed with ordering safety shirts for the crew members.

Roll call vote: Scully – aye, Harvey – aye, Somers – aye

We had some additions to the Forest Service Road Projects this week for adding some gravel. We finished the maintenance side of the Forest Service Roads. We finished two projects and have two more to complete.

Campbell reported that we've trying to get on Cedar Lake Road to do some ditching, we were down on Ridge Road preparing it for asphalt. Bolens has both of those bids but COVID-19 has set their schedule back. Elmer's is anticipating to start on the Village Of Lincoln's portion of Barlow Road before the projected June 15th start date.

Still have not gotten draft contract from MDOT regarding the detour. It won't set us back at all timing wise.

Mrs. MacNeill commented that Alcona Township does want to share the cost for Ludwig Road and West Black River Road which are both joint agreements with Caledonia/Alcona Townships.

Public Comment

Commissioner Harvey asked if Parks and Rec could use the brusher. Manager Campbell said he'd rather not. Our old one is broken and we have a lot of miles to put on the remaining one this year.

Employee Mr. Milwrick thanked the administration taking the COVID-19 seriously and doing all they have for the employees.

Meeting adjourned at the call of the Chair at 5:09pm until the next regular meeting which will be held on June 10, 2020.
